

Holistic QC benchmarking

Thursday 2 October 2025 13:30 (50 minutes)

QACI, Q-DESSI, TAQC, SQQC, HAT

- What is the importance of benchmarking for your consortium, and what are established techniques/metrics?
- How could the MQV benefit from unified benchmarking tools?
- How could benchmarking be integrated seamlessly in existing workflows?

Presenter: GEISLER, Florian (QACI)

Session Classification: Parallel sessions
